Listen & Capture

Speaker's name		
Profession/Field		
A key idea or quote that stood out to me		
Something that resonated with me the most		
Something surprising or unexpected		

My Reflections

This panel made me think differently about	
Something new I learned about work in tech	
A career path/role in tech I want to explore	
This connects to something I've learned in school	
A skill I'd like to build after hearing the panel
