Statement of Consent to the Processing of Personal Data

Undersigned applicant

Full Name:

Address:

I have read and understood the Privacy Policy document connected to the “*Teacher Awards*” launched by the Girls Go STEM initiative.

I am aware of what personal data is processed, for what purposes, who the recipients of the data are, and that I may revoke any consent I have given at any time with future effect.

I am also aware that participation in the selection for the Teacher Awards is not possible without consent to the processing necessary for its conduct, while consent for promotional purposes is voluntary.

Please tick the boxes for the consent you wish to provide:

1. Consent for processing for the evaluation of applications

- ☐ I consent to my personal data and the materials I submit being processed by the data controller and shared with the partner organisations listed in the privacy notice, to the extent necessary for the conduct and organisation of the Teacher Awards selection. I am aware that this consent is a prerequisite for participation in the Teacher Awards.

2. Publication for Public Relations and Promotional Purposes

- ☐ I consent to the publication and use of my name, my school, my country, and my photo on the Girls Go STEM Initiative website, EIT RawMaterials website, the project’s social media channels as well as social media channels related to EIT RawMaterials and EIT RawMaterials Academy in the event that I am selected as one of the five finalists. I am aware that this consent is voluntary and may be revoked at any time with future effect. In the event of revocation, the affected content will be removed from the aforementioned media to the extent possible.

3. Publication for Educational Purposes

- ☐ I consent to the publication of the submitted learning materials (Girls Go STEM Activity Template) on the Circular Learning Space – learning platform of Girls Go STEM Initiative in the event that I am selected as one of the five finalists. I am aware that this consent is voluntary and may be revoked at any time with future effect. In the event of revocation, the affected content will be removed from the aforementioned media to the extent possible.
